Experience & specialist field

Since returning to the United Kingdom Brian Spence has been in general practice, offering general financial advice to small and medium-sized owner-managed businesses. Brian specialises in the following fields:

- Litigation Support (sometimes referred to as Forensic Accounting)
- Share valuations for matrimonial, commercial and fiscal disputes
- Commercial fraud and confiscation orders.

Court Attendances

Brian has appeared in court as an expert witness and been cross-examined on several occasions including commercial disputes, share valuations and matrimonial disputes. Brian has also appeared at the First Tier Tax Tribunal in London on a major share valuation dispute and was cross-examined for one and a half days.
