Experience & specialist field

An experienced accountant in general practice, Melvyn has specialised in forensic accounting for a number of years receiving instructions from solicitors and clients on a wide range of matters. He has acted for claimants and defendants and has prepared many Expert Accountants' Reports, working with solicitors, clients and Counsel as required and has given evidence in the High Court. Melvyn's experience in acting for a wide range of clients in all aspects of their accounting, financial and taxation affairs, including acting as a quasi-financial director, enables him to advise on all financial matters.

Melvyn has experience of the following:-

- Financial and Taxation aspects of divorce
- Asset tracing
- Business valuations
- Partnership and shareholder disputes
- Personal Injury and Damages Claims
- HM Revenue & Customs Special Office investigations (some of them under PACE)

Career history

Melvyn trained with Nyman Libson, Paul & Company qualifying in 1972 and is Head of Forensic Litigation.
