Experience and specialist field

Specialising in forensic accounting since 1993, Philip has assisted both Plaintiffs and Defendants in a wide variety of cases, acting as both expert and adviser. Also acts as Single Joint Expert and to provide expert determinations.

Experience covers:

Commercial litigation - consequential loss, shareholder and partnership disputes

Company/share valuations - for share buy-backs, shareholder dispute and probate purposes

Matrimonial - valuation of business, assessment of business liquidity and investigation of business interests

Professional negligence - of solicitors and accounts

Personal Injury - loss of earnings, pension losses, dependency claim

Fraud and crime - fraud (investigating incidences of fraud, acting for defendants), confiscation proceedings

Court Attendances

Given evidence in Court, three times in civil proceedings and three times in criminal proceedings.

Career History

Trained at Barber Harrison & Platt and appointed a Partner in 1995. Still providing some general practice services, including audit, tax and general financial advice to companies, charities and other 'not for profit' organisations. These range from small entities to groups with a turnover of up to £40 million.
